

# INTERNATIONAL FOOTBALL MATCH ENGLAND FIRE SERVICE VS WALES FIRE SERVICE

## Community Event Leads the Way

The annual meet for this prestigious match had the added bonus of a young keen audience on hand to cheer their team through to the end result.

Seventy five pupils from Ludlow Junior School, St Laurence's School C of E Primary School and Ludlow Church of England Secondary School attended the Community Event hosted by Ludlow Town Football Club, supported by

Training received from Assistant Manager, England, Wayne Brown

England squad prior to the match with a member from each school receiving a trophy from the Chief Fire Officer Shropshire Fire & Rescue Service, Mr Alan Taylor QFSM.

Each participant also received a certificate for their training session with the National Fire & Rescue Service Team.

The community event was well hosted with the opportunity for the youngsters to find out more about their Local Fire & Rescue Service and fire safety from the Outreach Community Safety Vehicle.

Shropshire Fire & Rescue Service, Shropshire Football Association and the England Squad Sponsors, Gerda.

The youngsters received first hand training on how to improve upon their football skills from members of the

## Outstanding Level of Football

Set to be a fiercely contested match, the teams exhibited a high standard of football keeping spectators both in the stand and in the box enthralled.

Man of the Match Award went to Andy Bourne from Staffordshire Fire & Rescue Service.

Final Score: Wales 0 : England 7

Welcomed by CFO Alan Taylor QFSM

Cheers for their hero Wayne Brown, Assistant Manager, from London Fire Brigade

## Excellent venue and hospitality

Thanks were noted in particular to members of Shropshire Fire & Rescue Service who worked hard to secure the success of the event. Best wishes were sent to Tony Moore, Secretary, who could not attend, but was kept notified of updates.

- > Community Event is huge success
- > Fans cheer their hero
- > Excellent venue and hospitality
